St. Mary's Grounds Not Open to Public

The authorities at St. Mary's have decided that hereafter the grounds of the institution will not be opened to the public.

Owing to the imposition of some persons who have been freely allowed the use of the grounds, this decision has become necessary. The speeding of automobiles, besides, being a menace to safety, has also aided in damaging the drive-ways and shrubbery.

Persons who have business with the institution, or have children in attendance there, will find no difficulty in enjoying the same privileges as in the past and they shall receive courteous attention at all times.

Visitor's Received

During the vacation months, visitors who wish to be shown through the buildings at St. Mary's will be accommodated on Tuesday's and Thursday's from 10 a. m. to 5 p. m.

O'BRIEN IS NOW THE PROPERTY OF THE SOX

Former Central Leaguer is Disposed of by the Boston Americans. No Figures Given.

The Chicago White Sox have landed another pitcher in the person of Tommy O'Brien, who during the season of 1910 was a familiar figure around the Central league circuit. Tommy or "Buck" was sold by Boston but no figures were announced.

O'Brien had his first year with the Boston Americans last year and went good. He was rather wild and made an attempt to win a game during the world series. He became involved in a fight with Joe Wood, according to the dope, and as a result Tommy hasn't been any too strong with the champs. This is thought to have been a cause for the sale.

SILVER EDGES MEET THE GERGAZS TODAY

The boys lost last Sunday's game but claim they will show the Gergazs how the national pastime should be played. If the weather is not too warm, a large crowd should be out to witness the contest.

On Sunday the Silver Edges will meet either the K. & S. or the Hoosier Creams. Both of these teams are composed of fast ball players and a good game should result.
